PART III. READING

Time: 10 minutes

10 points

Task 1. Read the passage. Are the statements true (T) or false (F)?

The City of Melbourne

Melbourne is a very large city situated on the south-eastern coast of Australia. It is made up of a Central Business District (C.B.D.) and many surrounding suburbs. Melbourne covers an area of more than 6,000 square kilometers, which is about the size of London.

In one hundred and fifty years, Melbourne has grown from a small campsite into a city of three and a half million people. Most families live in the suburbs in a detached house with its own garden. This means that people have to travel long distances to school and work or to go shopping. Almost everyone has a car and although most streets are wide, there is a traffic problem. Many motorways have been built to make it easier to get into the C.B.D. but there are always traffic jams during the rush hour!

Melbourne is a beautiful city with many parks and gardens. There are a lot of monuments, interesting buildings and sights to see. It has the world's third largest zoo, which houses famous Australia animals such as the kangaroo and koala bear. There is also a lot to do in the evenings. Melbourne has many nightclubs, bars and restaurants which offer food from all over the world. So if you ever visit Australia, make sure you spend a few days in the 'Garden City'.

1. Melbourne is situated near the sea. *f*
2. Melbourne is about 150 years old. *t*
3. Melbourne is bigger than London. *f*
4. Melbourne has a population of about 3,500,000. *f*
